**Attended District Conference**

The delegation from the Methodist church in Snyder who attended the District Conference last Friday, Saturday and Sunday report good meeting. Every charge but one in the district was represented and the work of the church was reported in good shape.

Bro. Hicks preached for the Conference Sunday. The next meeting, 1921, will be held in Snyder.

The delegation from here were: Rev. J. H. Hicks, wife and son; T. C. Davis, E. B. Bauch, Mrs. C. C. Higgins, Mrs. R. M. Stokes, Mrs. Joe Strayhorn, Mrs. B. S. Gann, Miss Zonelle Harris, Miss Ola Mae Davis.

A rather serious wreck occurred on the Abilene Southern Railroad Sunday when five cars of the south-bound train went into the ditch between Guion and Ovalo and were burned. Three of the cars were filled with gasoline, one was a car of coal and the other a car of merchandise. The trainmen report that the gasoline became ignited immediately after leaving the tracks, the flames quickly enveloping the other cars.—Abilene Reporter.

**LIFT OFF CORNS!**

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

Coal oil at 21 cents and gasoline at 32 cents is an indication that there is money in oil, but it looks like the law of supply and demand has become a dead letter.

Snyder school children are making gardens at school and are learning lessons in actual life that will be of great value to them in coming years.

The fact that the great achievement of the Democratic administration in establishing a number of Federal Reserve Banks has clipped the wings of Wall Street and saved the financial power to the people, has been brought home so strong to Mr. Bailey, it leads him now to say that Federal Reserve Bank notes are not good money.

Mrs. J. A. White Says "If You Have An Automobile, Keep Rat-Snap." "If I knew about RAT-SNAP in winter, would have saved \$120. My car was in the garage for a few weeks during bad weather; when I went to take it out, found that rats had cut great holes in two new tires. I got them later with RAT-SNAP."
